

Area 1 QHPA Sponsorship Opportunities

Area 1 QHPA is a non-profit organization and affiliate of the Ontario Quarter Horse Association (OQHA) striving to promote the American Quarter Horse through horse shows that offer classes to exhibitors that includes Youth and Adults of all ages, and friendship & fellowship among members. The cost and time required for hauling horses makes it difficult for the small horse owner to travel the OQHA show circuit so Ontario was divided into promotional clubs which each offer to all registered Quarter Horse owners the opportunity to show within their area of residence and enjoy showing their horses with a minimum of expense and travel time. Area 1 QHPA would like to kindly request your Personal/Individual or Business sponsorship this year and we offer many opportunities to sponsor specific awards. We thank-you in advance for your sponsorship consideration!!
